

WILDSIDE NATURE TOURS

WILDLIFE ADVENTURES WORLDWIDE

Date: 23 June 2026

Dear Valued Traveler:

It is with profound regret that we write to inform you that, after 33 years, Wildside Nature Tours has ceased business operations effective June 7, 2026. As a result, the company has been unable to operate nor provide any future tours or travel programs that had previously been scheduled.

We recognize that many of our guests have made substantial financial commitments toward these trips, including deposits and full payments. We understand the disappointment and inconvenience this news will cause, particularly for those who have long anticipated these travel experiences.

Unfortunately, due to the cessation of operations, the company is unable to conduct the scheduled trips or provide travel services associated with those reservations. Customers who have paid deposits or paid their trips in full should retain all records relating to their reservations, including invoices, receipts, payment confirmations, travel itineraries, and this letter.

Travel Insurance Coverage

Some travelers purchased optional travel protection coverage in connection with their reservations. Depending upon the terms and conditions of the applicable policy, certain losses arising from the cancellation of a trip or the inability of a travel supplier to provide services may be eligible for benefits. Customers who purchased travel insurance are strongly encouraged to promptly contact their insurance provider and initiate a claim. The policy materials contain claims procedures and contact information.

Documentation to Include with Any Claim

Travelers may wish to provide the following documentation to their insurer:

- A copy of this letter;
- Reservation confirmations and invoices;
- Proof of deposits or payments made;
- Copies of cancelled checks, credit card statements, or other proof of payment;
- Any communications regarding the scheduled trip; and
- Copies of the applicable travel insurance policy or certificate.

Please understand that insurance coverage determinations are made solely by the insurance carrier in accordance with the terms, conditions, limitations, and exclusions contained in the applicable policy. Neither the company nor its representatives can guarantee that any particular claim will be approved. We sincerely apologize for the disruption and disappointment this situation has caused. We are deeply grateful for the trust and support our travelers have shown over the years and regret that we were unable to fulfill our planned adventure together.

Should additional information become available that may assist customers in pursuing insurance claims, it will be provided as promptly as possible.

Thank you for your understanding.

Sincerely,

Kevin C. Loughlin,
President, Wildside Nature Tours
